

# RUN SHEET (OPTIONAL)

In order to assist you facilitating a house church meeting, we have provided an optional Run Sheet. Conducting a house church can be a challenge if it's your first time and we would love to help you! **This is intended as a guide** – please use these resources in whichever ways are most helpful for your community.

---

## 1. Welcome

### 2. Worship (10 min)

Have someone sing, play an instrument, a song on Spotify or Youtube! Get creative and don't miss the chance to worship in community!

### 3. Prayer and Praise (5min)

Let's not neglect the importance of prayer and thanksgiving. Take time to pray and remind each other of the reasons we have to be thankful even in the midst of uncertainty.

### 4. Message Video (Uncertainty) (5min)

The global Church has been meeting in house churches for centuries. Watch our CEO, Mike Gore, reflect on uncertainty and read an encouraging story from the persecuted church.

### 5. Podcast (10 min)

Listen to our podcast as Mike Gore and Jocelyn Goto unpack the idea of uncertainty, drawing on the experience of Chinese evangelist Wang Ming-Dao.

### 6. Discussion (20 min)

Based on the video you have watched, and the podcast you have heard, follow discussion questions provided to consider applications for your own life. Alternatively, come up with your own questions or allow time for open reflection.

### 7. Closing Prayer

Close in prayer and communicate any relevant information for your next house church meeting.
