A Country Divided

In 1983, Sudan became an Islamic Republic. Civil war followed. In 2011, the country was divided in two: Sudan and South Sudan. Many Christians fled to South Sudan. In Sudan, leaving Islam is punishable by death. Many are too afraid to share the gospel with Muslims for fear of being accused of blasphemy against Islam.

Prayer Points

- Pray for God to help the government know the true teachings of Christianity.
- Pray for the church to be faithful despite pressure from the government and Islamic extremists.
- Pray for the people to see that Sharia (Islamic) law leads to more harm than good.
