Violence Against Believers

Pakistan is the most violent country for Christians. Islamic extremists attack churches, with increased attacks around religious holidays like Easter and Christmas. Christians are abducted, forced to marry Muslims and even killed for their faith. Many are forced into hiding. The government doesn't usually intervene.

Prayer Points

- Pray for Christians to love and forgive those who persecute them.
- Pray for converts from Islam, that they will not be afraid of the cost of following Jesus
- Pray for Christian women with Muslim husbands. Pray they will lead their families to Christ.
