Increasing Pressure On Converts

Christians have relative religious freedom as long as they don't share the gospel. The Islamic State is increasingly influential, placing Christians at a greater risk. Government officials monitor churches and place pressure on them to stop their activities. Despite this, the number of new believers continues to grow.

Prayer Points

- Pray for the church to reach refugees in need and share the gospel.
- Pray for Muslims to be drawn to Christ through the churches love for the poor and suffering.
- Pray for persecuted believers to find fellowship and encouragement with other believers.
