War And Religion

Myanmar is in the midst of the world's longest-running civil war (1948-present). Christians are targeted by Buddhist extremists and the military. More than 100,000 Christians live in Internally Displaced Person camps and are denied access to aid, food, water and medicine. Buddhist monks even raid churches and build shrines inside.

Prayer Points

- Pray for Christians to be able to help rebuild the country and see an end to the civil war.
- Pray for the church to reach Buddhists with the gospel whilst conversion is still allowed.
- Pray for the church to help suffering Muslim Rohingya's and bring them to Christ.
