The Middle Of Conflict

The ongoing Israeli-Palestinian conflict causes many challenges. Christians face restrictions from the Israeli side, while their faith makes them a minority in the Palestinian community. The influence of radical Islam is growing. The Christian population is shrinking as more Christians travel to find better prospects in other countries.

Prayer Points

- Pray for the war to end and that conflicting parties will start to work for peace in the Middle East.
- Pray for believers to be ambassadors for Christ and to share the gospel with Muslims.
- Pray that believers will live out their faith despite the increasing pressure they face.
