Dangerous Business

Almost all Christians in Algeria are converts from Islam. They're forced to keep a low profile for their own safety. Blasphemy laws make sharing the gospel risky. Evangelists can spend up to two years in jail for sharing the gospel. Despite this, Christianity is growing fast in Algeria.

Prayer Points

- Praise the Lord that the church is growing. Pray for new believers to grow stronger in their faith.
- Pray for converts from a Muslim background to be bold and share why they choose Jesus over Islam.
- Pray for young Christians to find work and purpose. Pray that those who are homeless are provided for.
