Low Violence, High Pressure

Islam is the state religion and dominates society, politics and the legal system. It's assumed that all citizens are Muslims. All state schools teach Islam. While Oman has very low violence against Christians, pressure is high. Christians are interrogated. If they don't stop meeting they can lose their jobs and homes.

Prayer Points

- Pray for the church. Even though they are small, they can be used mightily in Oman.
- Pray for Christians to continue to serve the Lord under difficult circumstances.
- Pray for new believers to be disciplined to walk with Jesus through suffering.
